12 things you (probably) didn't know about the Wars of the Roses

The Wars of the Roses were the civil wars fought in England and Wales between the Yorkist and Lancastrian dynasties between 1455 and 1485. Though historians can't agree on precisely when and where the conflicts concluded, the general consensus is that the Wars of the Roses ended with the battle of Bosworth in 1485, when Henry Tudor (the future Henry VII, the first Tudor king) defeated and killed Richard III

August 24, 2018 at 6:00 am

But, argues historian Matthew Lewis, the roots of these dynastic civil wars went deeper and the branches reached further than this 30-year timeframe suggests. Here, writing for *History Extra*, Lewis shares 12 lesser-known facts about the Wars of the Roses...

1

Jack Cade's rebellion rocked the Lancastrians

In July 1450, a mysterious man known as Jack Cade led a huge force of common men from Kent into London to protest against the ailing government of the Lancastrian king Henry VI. This episode is generally regarded as being outside the bounds of the Wars of the Roses, but those edges are blurred and elastic.

When Jack Cade entered the capital he struck the London Stone, which can still be seen on Cannon Street, and, according to Shakespeare, proclaimed: "Now is Mortimer lord of this city!" After this, Cade openly adopted the provocative name John Mortimer. The Mortimer line was considered by many to be senior to the Lancastrian line, since the Mortimers were heirs apparent to Richard II – so adding weight to the later Yorkist claim to the throne.

In 1460 Richard, Duke of York would trace his lineage from Edward III's second surviving son, Lionel, Duke of Clarence, whose only daughter had married Edmund Mortimer. The House of Lancaster was descended from John of Gaunt, Edward III's third son. The Mortimer Earls of March had been considered the lawful heirs of the childless Richard II before he was deposed, and the Lancastrian kings eyed them with suspicion. Was Jack Cade a son of this deposed line seeking restitution?

Luke 8:17 For nothing is secret, that shall not be made manifest; neither any thing hid, that shall not be known and come abroad.

Details of the War of the Roses

Many would later claim that Richard, Duke of York had arranged for Cade to use the name 'Mortimer' to measure the response to it. Stow's *Chronicle*, a Tudor source, claimed that the object of the uprising was to place York upon the throne, and Baker's later *A Chronicle of the Kings of England* called Cade "an instrument of the Duke of York". Cade – who was captured and fatally wounded following the failure of his rebellion – is a fascinating, elusive figure. Was he a genuine claimant to the throne, a social campaigner, or a puppet?

2

Wiltshire took to his heels to protect his face

James Butler, 1st Earl of Wiltshire and 5th Earl of Ormond, was a good-looking man. So good-looking, in fact, that it hampered his performance on the battlefield.

Loyal to the Lancastrian cause, Butler rose to prominence under Henry VI and fought for the king at the first battle of St Albans on 22 May 1455. The Lancastrian forces lost to those led by the Duke of York, the Earl of Salisbury and the infamous 'kingmaker', the Earl of Warwick. Several Lancastrian leaders were killed and Henry VI was injured and captured, but Butler escaped.

Gregory, a resident of London who kept a detailed chronicle covering the early Wars of the Roses, quipped that Butler, then in his early thirties, "fought mainly with his heels for he was frightened of losing his beauty". Butler wrote to the Duke of York from Petersfield to ask if he could return to the king's side and, if not, to be allowed to retire to his estates in Ireland.

Butler was on the losing side once more at the battle of Mortimer's Cross (February 1461) and again at Towton (March 1461), after which he was captured and executed – his looks finally lost for the Lancastrian cause.

Details of the War of the Roses

The friar's cannon fooled Queen Margaret's army

The first battle of St Albans was followed by a period of peace, but it wasn't to last long. By the autumn of 1459, Yorkist forces were massing at Ludlow in Shropshire, from where they planned to take the fight to King Henry VI's Lancastrians again. Among those marching south to join them was an army under the Yorkist Earl of Salisbury. Yet Salisbury wasn't to reach his destination unimpeded. Henry VI's wife, Queen Margaret, got wind of the movements and sent a force twice the size of Salisbury's to intercept him at Blore Heath in Staffordshire.

Against the odds, Salisbury won the day but his tired, battered column still needed to reach Ludlow. Thomas, Lord Stanley had a large force in the field within a few miles of Blore Heath, and the Lancastrian army might still have regrouped and pursued their Yorkist foes. Salisbury's answer, according to Gregory, was to leave one of his cannons behind and pay an Augustinian friar to fire it "all that night in a park that was at the back side of the field".

In the dark the Lancastrian army and Stanley's force were disorientated and kept looking for a battle that had ended hours earlier. The clever ploy ensured that Salisbury reached Ludlow safely.

4

Lord Stanley had a lucky escape

When parliament met at Coventry in November 1459 to deliver punishment for those rebels involved in the recent Yorkist uprising, a small piece of business was recorded among the rolls of the session that might have radically altered the course of the Wars of the Roses.

Following the battle of Blore Heath (September 1459) and the subsequent clash at Ludford Bridge at Ludlow (October 1459), Richard, Duke of York and his allies had been forced to flee and were all attainted, stripped of lands and titles for their treason. At the end of the parliament rolls is a call from the commons for Thomas, Lord Stanley to also be attainted for treason. According to the charge, Henry VI had summoned Stanley to Nottingham, but "Lord Stanley, notwithstanding the said command, did not come to you; but William Stanley his brother, with many of the said lord's servants and tenants, a great number of people, went to the Earl of Salisbury, and they were with the same earl at the attack upon your liege people at Blore Heath".

Further accusations are levelled, but Henry deferred consideration of them. Given the Stanleys' later prominence and their part in [the battle of Bosworth](#) (1485) – playing a critical role in Henry Tudor's victory over the Yorkist Richard III – the landscape of the second half of the 15th century might have been very different had Henry taken umbrage in 1459.

An Italian bishop helped the Yorkist cause

Bishop Francesco Coppini of Terni played a crucial but often overlooked role in the Yorkist seizure of power in 1461. Pope Pius II had sent Coppini to England as a papal legate in 1459 to seek Henry VI's assistance in a crusade against the Turks. His secondary mission, given him by his patron Francesco Sforza, Duke of Milan, was to encourage Henry to invade France.

Henry's French queen sent the legate away with a flea in his ear and Coppini retreated to Burgundy nursing his bruised pride. On the continent, he came into contact with the exiled Yorkists at Calais. The Earl of Warwick's silver tongue flattered the bishop's wounded ego, promising that a Yorkist government would see his master's aims met.

Thus Coppini enthusiastically took up their cause, landing at Sandwich in 1460 when Warwick invaded. When they arrived in London, he preached to the English bishops in York's support and wrote to Henry VI advising that he grant the Yorkists an audience.

Coppini was present at the battle of Northampton (July 1460) when Henry VI was captured again, but when the tide turned against the Yorkists in late 1460 he was forced to flee to the continent. After defeating an army fighting in the name of, though not led by, Henry VI at the battle of Towton (March 1461) and replacing him as king, the Yorkist Edward IV sought Coppini's return – only for Coppini to be replaced as legate.

Although Coppini accompanied the new legate, the French and Lancastrians protested against his presence and he was sent back to Rome. He had, however, played a vital role in the establishment of Yorkist government.

6

A double-crossing fighter was knighted for his pains

Andrew Trollope was knighted in the aftermath of the Lancastrian victory at the second battle of St Albans (February 1461). Trollope had been the leader of the Calais garrison, the only standing army in the pay of the crown and therefore the closest thing to a professional force in the kingdom. The Earl of Warwick had brought Trollope and his men to Ludlow to bolster the Yorkist force there, but it was Trollope's midnight flit to the king that destroyed the Yorkists' hopes at Ludford Bridge (October 1459).

Luke 8:17 For nothing is secret, that shall not be made manifest; neither any thing hid, that shall not be known and come abroad.

Details of the War of the Roses

Chronicles record Trollope visiting the Duke of York at Wakefield and tricking him into believing that he was returning to the fold. York's subsequent foray out of Sandal Castle cost him his life and increased Trollope's standing at the Lancastrian court.

At the second battle of St Albans, Trollope was prominent once more in the Lancastrian assault on the Yorkists within the town. The newly freed Henry VI had his son, Prince Edward, knight Trollope on the field, even though, Gregory reports, Trollope had trodden on a caltrop (a weapon made of two or more sharp nails or spines, placed in the ground to slow the advance of horses and human troops) during the battle and been unable to move, protesting "I have not deserved it for I slew but 15 men, for I stood still in one place and they came unto me".

Trollope's star was soaring, but it would fall at the apocalyptic battle of Towton (March 1461), where he was killed leading the Lancastrian attack.

7

The siege of Bamburgh cost Sir Ralph Grey his head

By 1464, Edward IV had been king for three years and was establishing himself, but he had not quite eradicated Lancastrian resistance. The battles of Hedgeley Moor (April 1464) and Hexham (May 1464) had seen Lancastrian rebels from over the Scottish border attack Neville envoys from Edward IV heading north. During the incursion, the Lancastrians seized Alnwick, Dunstanburgh and Bamburgh Castles. Two were swiftly surrendered after Lancastrian defeats, but Sir Ralph Grey remained at Bamburgh Castle.

After refusing to leave, Grey was issued with a grisly threat: King Edward did not want to have to damage a vital castle near to the Scottish border, and so promised Grey that the first cannon ball fired at the walls would cost his head. Each subsequent shot that damaged a wall would cost another head, working down the line of command until every man was executed.

Two guns named Newcastle and London pounded the walls. A smaller cannon named Dijon found its range and consistently fired shot directly through Grey's apartment window. The siege was brief, and in spite of the threat the men within were spared. Sir Ralph, though, was stripped of the honour of being a Knight of the Bath and sentenced to be beheaded.

A Latin scholar became butcher of England

John Tiptoft, Earl of Worcester was constable of England, responsible for the administration of the king's justice. Tiptoft was a widely respected academic, a talented lawyer and a Latin scholar. His early career had been brimming with promise, and his star had continued to rise under the new Yorkist regime.

In 1470, while Edward IV was threatened by his brother George, Duke of Clarence and his cousin the mighty Earl of Warwick, a clutch of Warwick's men were captured on the south coast trying to escape. Tiptoft oversaw the trials of 20 of what *Warkworth's Chronicle* described as "gentlemen and yeomen", probably representing the highest-status prisoners taken. After what was little more than a show trial, all 20 were sentenced to be hanged, drawn and quartered.

To drive home the fate of those opposing Edward, all 20 bodies were subjected to further humiliation: Tiptoft ordered each of the dismembered corpses to be hung upside down. Twenty wooden stakes, sharpened at both ends, were then driven through the buttocks of the 20 corpses and the heads stuck on the end protruding from the bodies. Tiptoft was reviled, named the butcher of England, and when the Lancastrians retook the country, he found himself unable to escape their retribution. He was executed on Tower Hill on 18 October 1470.

9

Nibley Green was the scene of the last private battle in England

On 20 March 1470, two private armies took to the field on Nibley Green at North Nibley in Gloucestershire. One army was led by Thomas Talbot, Viscount Lisle, and the other by William, Lord Berkeley. They had been involved in a long-running dispute over an inheritance that had been stalled in the courts without a resolution for either side.

As King Edward IV's grip on power slipped in the face of rebellion by his cousin, the Earl of Warwick, men of power began to exploit the vacuum of royal authority created by the trouble at the top. Lord Berkeley won the small battle. Lord Lisle was killed and his adversary paid for building work to the church where many of the casualties were buried.

The battle of Nibley Green was the last battle between private armies in English history, but was a symptom of the coming storm. Sieges at Caister Castle and Hornby Castle were further evidence of the breakdown of law and order.

Details of the War of the Roses

A loyal duke rose from the 'dead'

Henry Holland, Duke of Exeter was a perfect example of the problems created by the Wars of the Roses. The Holland family had close ties to the Lancastrian royal line. Henry was a great-grandson of John of Gaunt but had married Anne, the eldest surviving child of Richard, Duke of York and his wife, Cecily.

Henry remained loyal to the Lancastrian cause, fighting against his father-in-law and brothers-in-law. At the battle of Barnet on 14 April 1471, Easter Sunday, Holland supported the Earl of Warwick's attempts to prevent the return of King Edward IV – who Warwick had helped to overthrow the previous year – and to preserve the throne of the newly reinstalled Lancastrian Henry VI.

The battle of Barnet, 1471 – the death of Richard Neville, 16th earl of Warwick. (Photo by Culture Club/Getty Images)

Early in the fighting, at around 7am, Henry Holland was cut down. At the end of the battle he was stripped of anything of value, as the victorious forces looted the bodies littering the field. At around 4pm, as the battlefield was being cleared, Henry Holland was discovered clinging on to life. His wounds were treated and once he was well enough he took sanctuary in Westminster Abbey.

In 1475 Henry volunteered to serve during Edward IV's invasion of France. On the return journey he drowned in the Channel amid a storm of rumours that Edward had ordered him to be pushed overboard to rid himself of another with Lancastrian blood.

11

The archbishop of York was tricked out of his treasure

George Neville, Archbishop of York was a brother of Richard Neville, Earl of Warwick (the 'kingmaker').

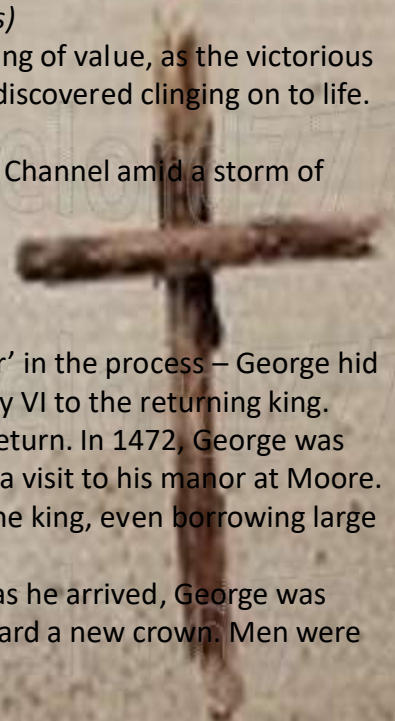

After Edward IV's triumph at the battle of Barnet (April 1471) – when he won back the throne, killing the 'kingmaker' in the process – George hid his vast wealth. He was, after all, uncertain of his future – even though he personally handed London and King Henry VI to the returning king.

In spite of his brother's role in the expulsion of the Yorkist king, George seemed to continue in favour on Edward's return. In 1472, George was with the king at Windsor enjoying the hunting when Edward announced that he would honour the archbishop with a visit to his manor at Moore. The excited George hurried to Moore and began recalling all of his hidden plate and finery to prepare to welcome the king, even borrowing large sums of money.

The day before Edward's visit, a messenger delivered a summons to George to attend the king at Windsor. As soon as he arrived, George was arrested for treason. His property was seized by the king, his mitre broken and the jewels from it used to make Edward a new crown. Men were sent to Moore to recover all of the archbishop's conveniently gathered goods.

Imprisoned at Hammes near Calais, George was later released but died in 1476 in poverty and disgrace.

Details of the War of the Roses

A pirate earl created a king

In September 1473, John de Vere, Earl of Oxford captured St Michael's Mount off the south coast of Cornwall. King Edward IV sent Sir Henry Bodrugan to lay siege to the tidal island fortress. Eventually, word reached Edward that each day at low tide Bodrugan was allowing the earl to leave the fortress and then return unmolested. When Oxford complained that his provisions were running low, Bodrugan had fresh supplies brought to the earl.

The king was furious and sent a squire of the body (a close personal servant of the king), John Fortescu, to replace Bodrugan. Finally, on 15 February 1474, after several engagements and after promises of pardons had lured some of Oxford's men away, St Michael's Mount was relinquished. Upon entering the castle, Fortescu found enough supplies to last for many more months.

Oxford was imprisoned at Hammes Castle until his escape during the reign of Richard III, when he joined the exiled Henry Tudor. He would go on to lead Tudor's army at the battles of Bosworth in 1485 and Stoke Field in 1487 to create and defend the Tudor monarchy.

Bill William Cooper Exposes the Bilderberg Group and Rothschild their leader shedding light on their Dark Plans for the world!!!

What Bill William Cooper Did for God and America and he paid the ultimate price.

The Birth of the silent war as he likes to call it was started prior to the killing of JFK but the outline of their Goals to create a New world Order were published by this Courageous man who came in contact with a document from the Bilderberger meeting left in a Copy Machine bought at an auction.

Un Published but TRUE agenda of the Bilderberg Group.

CONSEQUENTLY, in the interest of future world order, peace, and tranquility, it was decided to privately wage a quiet war against the American public with an ultimate objective of permanently shifting the natural and social energy (wealth) of the undisciplined and irresponsible many into the hands of the self-disciplined, responsible, and worthy few.(this is an excerpt from the document in the copy machine.)

Psalms 116:15 Precious in the sight of the LORD is the death of his saints.

Bill William Cooper Is Being Honored by having his name placed on the largest non Bank Mortgage servicer in America. August 2017

2. **Symbolically here in the Story of Esther Mr. Cooper is played by Mordacai Esther2:21 ¶** In those days, while Mordecai (**Mr. Cooper**) sat in the king's gate, two of the king's chamberlains, Bigthan and Teresh (**Obama Pope Francis, Trump**) **22** And the thing was known to Mordecai, who told *it* unto Esther the queen; and Esther certified the king *thereof* in Mordecai's name. **23** And when inquisition was made of the matter, it was found out; therefore they were both hanged on a tree: and it was written in the book of the chronicles before the king.
3. What will Happen to Rothschild is here. Esther 6:10 Then the king said to Haman (**Rothschild**), Make haste, and take the apparel and the horse, as thou hast said, and do even so to Mordecai the Jew, that sitteth at the king's gate: let nothing fail of all that thou hast spoken. 11 Then took Haman the apparel and the horse, and arrayed Mordecai, and brought him on horseback through the street of the city, and proclaimed before him, Thus shall it be done unto the man whom the king delighteth to honour. (**Rothschild is now honoring Mr. Cooper with the naming of Nationstar as Mr. Cooper how Poetic Justice**)

Mr. Rothschild you deserve no ones Respect and Hell will be so extra hot for you. Your Bank of America is Riddled with the truth of your secret knowledge of the Giza Pyramid ie 1-800-432-1000(432 fractal of the size of the Flat Earth and 1000 is the millennium you will be in Hell for. Your corporate office modeled after the burning Bush I know in some perverted Demonic lie you believe you are doing God s bidding creating the environment for destruction of 6.5 billion people. You probably in a more absurd way think that the parable of the talents and the fact that you have more money and wealth than any other person in the world is going to get you a “Well Done Good and Faithful Servant.”Matt. 25:23 The parable is about what you have done for the one who gave you the money ie God. You have done all this for yourself and Lucifer and he will say Get out I never knew you. Matt. 7:23 I have news for your perverted demonic mind. When you choose to worship mammon and not live by golden rule and worship Lucifer and not Jesus. You chose the Path of Destruction and you will get a chance to Repent as we all will but you PRIDE is you enemy and your drinking of Babies Blood in rituals has allowed so much demonic impact. God will not Reward you for leading in Child Trafficking and surrounding yourself with pedophiles Sexual perverts like Obama and Michael his transvestite partner. You must see that you think you are leading to the end on you own thinking but who do you think put those thoughts into your mind. Proverbs 16:4

860-861: Four TOTAL lunar eclipses occurred on the Jewish Passover and Yom Kippur Holidays in 860 - 861 AD. Shortly after the eclipses the Byzantine Empire defeated Arab armies at the Battle of Lalakaon in Turkey and permanently stopped the Islamic invasion of Eastern Europe

1492-93: On the heels of the Spanish Inquisition, **King Ferdinand** and Queen Isabella issued a joint edict known as the **Alhambra Decree** (also referred to as the **Edict of Expulsion**) in January of 1492, which ordered the Jews to be expelled from Spain. This paved the way for an **Italian Jew named Christopher Columbus** to set sail for the New World in 1492, in hopes of finding a new homeland for the displaced Jews. The New World (i.e., modern-day America) would eventually house the largest population of Jewish people of any country in the world.

David, I never met you or talked with you but, I have seen all your work and like David and Johnathan I feel our Souls are knit together and look forward to seeing you in eternity. I salute you I'm sure if the truth was known it was not brain cancer that took you down but it was the demons of the Masonic Order of the Global elites trying to silence a wonderfully Godly Man Speaking the Truth. They may have silenced you for now but you will speak for the millennium. You are my greatest hero next to Jesus and God and my wife. God bless you for showing everyone Isaac Newton was misguided and as Tesla said Einstein is Moronic. Thank you for exposing Newton's Deception about the timing of Jesus return in 2060 is just wrong. I love your analysis on the Temple Mount and the Unified theory related to that of time and distance. The concept of four Aeons of Human life on earth is Revolutionary and will go down as one major step for Mankind in Killing the Mason Deception. You are God's man for the New Millennium and we were proud to stand on your shoulders to see Roswell and all the Temple Mount Connections to the Last days.

Thanks to two Woman that ought to know the truth as they joined in Christ's suffering!!!

Corry tin Boom and Anne Franks Story of the Holucasut should speak volumes to our Lack of Knowledge of True History. The NWO is rewriting history in Internet as quickly as the Last Day Unfold. Corry taught us that there will not be a Pretribulation Rapture is a Satanic Doctrine, we all will have trouble except the 145,320 Virgins and Leaders. Anne Taught us that Jesus is real and her Diary is the second Best selling Non Fiction Book Behind the BIBLE.

There are some among us teaching there will be no tribulation, that the Christians will be able to escape all this. These are the false teachers that Jesus was warning us to expect in the latter days.

Anne Frank your Diary Biography of your story in Hiding Place is second in Nonfiction all time sales to only the love letter that allowed you to suffer the BIBLE!!! You were truly a woman of God... Picture to come when we can get to internet!!!

EDEN'S RIVER SYSTEM PRE-FLOOD

THE 40,000 MILE LONG, CONTINUOUS MID-OCEAN RIDGE IS NO RIDGE, RFT NOR MOUNTAIN RANGE BY DEFINITION, IT IS A RIVER FLOWING DOWNHILL THROUGHOUT THE ENTIRE SYSTEM.

COMBINED WITH THE OCEANIC TRENCHES IT FORMS THE ANCIENT RIVER SYSTEM AT THE BOTTOM OF THE OCEAN FLOOR WHICH WAS MOSTLY DRY LAND PRIOR TO THE FLOOD. FLOOD SEDIMENT AND THE CONTINUOUS OUTFLOW OF MODERN RIVERS INTO THE OCEAN HAS FILLED IN PORTIONS BUT THE RIVER FROM EDEN REMAINS TODAY.

THIS RIVER SYSTEM IS THE LOCATION OF THE WORLD'S HYDROTHERMAL VENTS AT THE BOTTOM OF THE OCEAN FLOOR WHICH HEAT THE DEEP AND BALANCE THE PH LEVEL OF THE ENTIRE OCEAN STILL FUNCTIONING TODAY.

GENESIS 2:10-14 KJV

And a river went out of Eden to water the garden; and from thence it was parted, and became into four heads. The name of the first is Pison: that is it which compasseth the whole land of Havilah, where there is gold; And the gold of that land is good: there is bdellium and the onyx stone. And the name of the second river is Gihon: the same is it that compasseth the whole land of Ethiopia. And the name of the third river is Hiddekel: that is it which goeth toward the east of Assyria. And the fourth river is Parat.

Ben, You are being attacked but remember they attacked Jesus first, you will have a great place in Heaven. Thank you for your candid analysis of so many areas but the one that meant so much to me and lead me to opening so many of the mysteries of God was your teachings on the eclipses I guess because I'm a nerdy engineer, that loves numbers. The Eclipse numbers lead us to the Giza pyramid. You mentioned Giza may not be used for good was the last I heard from you. You are right the shape of the Pyramid has been demonized and supposedly Sacred Geometry's (actually God's Geometry's) used by the Global Elites. But the truth is that if you can do our study on the Flat earth Power point you will see God's intent for the Pyramid. The Lie started in 1500's with Copernicus is because they were able to steal the Hall of Records Knowledge and see that the earth was flat and initiated the largest scam every perpetrated against mankind other than killing Jesus. The believing the earth is a globe is inexcusable with all the proofs. Please look at the flat earth analysis in you tube and you will be blessed. God Bless!

Pure King James Bible Search Founder?,
You have produced an amazingly Useful
Scripture analysis tool for the world to much
easier to interpret scriptures. Your software
allows a person to put in a search word like
Adam and see the number and all the verses in
the Bible the name Adam is used. This seems like
a simple item but it greatly increases our ability
to interpret different issues happening in the Last
Days we are living in. As if that is not enough I
uncovered a true treasure of Last days
information when I combined your search
capability with then number derived form
gematria at Mark Lanes Web Page
biblenumbersfolife.com Here we took the Bible
occurrences of many endtime phrases or words
like "last trump", "God" "Terrible day of the Lord".
I discovered a truly edifying result the numbers
of all names words in the Bible correlate a
number occurrence number that when you
analyze that number you can retrieve all sorts of
facts about that name or phrase. God Bless!

Dr. David Jay Jordan has helped to show us many Insights/Interpretations from the Giza Pyramid. Some are our extrapolations from his work and lead us to the Year of Jesus returning in 2019 his Millennial Reign in. Our extra insight come from Dr. Jordan's insightful analysis of New Jerusalem when you convert the furlongs to feet and analyze the Perimeter of the New Jerusalem Pyramid versus the size of Gods Flat Earth of 15840 Miles and Diameter and take that Circumference. These two amazing Numbers divided =528 in Gematria Lead you to the 137 degree movement in the North pole from the Alaska North Pole 59 degrees latitude and 137 degrees Longitude (Al to its present Location at 90 degrees latitude and 0 Longitude. This also shows us all the 6 stages of the Processional since the Earth began culminating soon in 2022. In Addition he has the when you divide these two amazing numbers you get the multiply of the Giza Pyramid to the Flat Earth Northern Hemisphere Ratio of 8.23. Of course more important he has done excellent work on the 6000 Pyramid Inches to show the connection to Jesus return and we have Detailed that out with Further Revelations to exactly 6111 or 10 times the slope of the Giza Pyramid= Return. He showed us Gods Miraculous Use of Phi the Fibonacci Sequence to design our Body and we have expanded that to our Flat earth proving its divine design. Not to be USURPED by the Masons and Demons. Remember sin is a slippery Slope you start out slow and increase the more you do....

Mark, your tireless efforts to create your cumulative Numbers List and the relationship to the Gematria and the prime numbers and the Jeremiah and Isaiah verses has been foundational in helping us to see the Last days. We can clearly see now by the combination of your work and our Pyramid analysis. Thank you so much you will have many blessings from your work and rewards for eternity!!! Your numbers revealed the truth of the sins and Blessings of our various 44 Presidents of USA. The truth that the Mason's assassinated any president who won't do their bidding was revealed. Note Gods design is perfect the Eyes are shaped like the Firmament of Heaven!!! Giving Wisdome to all that care to Look. Better to look through Gods two created eyes then the One All seeing eye made up by the Lord of Hosts

Cracker Wv has helped to show us many Insights/Interpretations in the Bible of the King James printed in 1611 AD concerning the Lord of Hosts. At the Same time it was this analysis that made me realize the connection of 1611 to Jesus Return. Remember the Richest Man on the Earth Rothschild some 500 Trillion Dollars is Referred to as Lord Rothschild ie the earthly king. The Parliament in England is referred to as the House of Lords and Commons ie Rulers and Slaves. Along with Rosette Dela Croix they are helping to see the Deception right in our own Bibles. The God of Cain is the Lord of Hosts and he keeps his Blood Line alive even with a Mark and he threatens to destroy anyone who hurts him. Cain was the blood line that allowed Heavenly wisdome to build Megaliths with Giants Offspring of the Nephilim. Cracker some day I hpe to show your your connection and discovery of megalithic stuctur3es in West Virginia Matches the megalithic Pattern established from Teotihuacan(Sun Pyramid of Mexico to the Sun Pyramid of the Grand canyon) and This is the Same Lord that had to do Surgery to Create man ie Trans human Genetic Modifications where as Our Lord of Gen. 1 had created so many Happy People living in a Utopia in the image of God.(The Lord of Hosts

Orange Pyramid has the base corners of Teotihuacan in Mexico and on the West and Giza Pyramid on the east with a mystery point it Pinnacle. Noting that its Base Line passes through West Virginia intersecting the Zip Code of 25920 . Remember a man named Mr. Moon invented the zip code system. Mr. Moon is an perfect anagram of Mormon. Mormons centered in Utah where they are close to the Badlands and Satan's return. (Iglesias Ni Cristo a Mason Church from Philippines has bought land in the Badlands also... g0 figure...)

Jim, Your teaching that Jesus is The Way which is Narrow and will come with Tribulation is Revolutionary. The study on 153 has changed our perspective and brought the Giza Pyramid front and center of our analysis with the Bible of the end times. Using Mark lanes Biblical Number meanings and your insights we found the flat earth Theory described so eloquently in the Bible and the book of Enoch.... I pray you will consider the truth of the Flat earth as it will give you revelation into those attacking your efforts. God Bless!

Thanks to the people like Jim Liles for His amazingly Accurate Biblical Time frames using the 364 day Biblical year!!!

Thank God for your Courage, Jim Liles began going through the numbered years in Scripture in the fall of 2004. His intent was to find out if it was possible to learn how old the earth was using the numbered dates in Scripture alone. The idea that there was a numerical pattern in dating the Patriarchs, that seemed to form a discernible calendar, never entered his mind until he got to the Exodus. When he realized that a 364-Day calendar, consistent with the Biblical text, could be used to date events from Creation to the Crucifixion of Jesus and land on exact dates in Scripture, he knew the rest of his life would be spent dating those events.

Job's sufferings begin

- Job loses everything he owns.
- His children are killed by a typhoon like wind.
- "At this, Job got up and tore his robe and shaved his head. Then he fell to the ground in worship and said: "Naked I came from my mother's womb, and naked I will depart. The Lord gave and the Lord has taken away; may the name of the Lord be praised." In all this, Job did not sin by charging God with wrongdoing." (Job 1:20-22, TNIV)
